- Putting numerals in order; ordinal numbers
- Organize, represent & interpret data with up to 3 categories; ask and answer questions
- Define attributes of shapes
- Compose 2 dimensional shapes to create a composite shape
- Partition circles and squares into 2 & 4 equal shares

## Note from the teacher:

The Weekly Homework Calendar is coming home today! Please print it out for your child to work on and hand in on Fridays. If you don't have access to a computer or printer please let me know, and I will send home a paper copy!

Fall Picture Day has changed! It will now be on Friday, September 12th - Be sure to look your best!

We will be going to the Media Center to check out books every Friday. Please be sure books are returned on time to avoid disappointment!

Be sure to *read at least 20 minutes* every night!!! We would love to celebrate with the whole class at the end of the nine weeks for *Mega Minute Challenge*!

**Wear sneakers on PE days!!**

**P.E. on  
Wednesday and Friday next week**
