- Read on- level text with fluency and understanding
- Demonstrate understanding of the organization and basic features of print
- Read with sufficient accuracy & fluency to support comprehension

MATH:

- Base ten numbers
- Count to 120, starting at any number
- Comparing numbers - what comes before or after a number; which number is more (greater) or less
- Putting numerals in order; ordinal numbers
- Organize, represent & interpret data with up to 3 categories; ask and answer questions
- Define attributes of shapes
- Compose 2 dimensional shapes to create a composite shape
- Partition circles and squares into 2 & 4 equal shares

Note from the teacher:

Just a little reminder that the homework calendar should be completed & turned in every FRIDAY, and a new calendar will be sent home via e-mail. If you are unable to print at home, just let me know and I will send home a paper copy. Students....PLEASE be sure to write your name on your calendars!!!

Also, be sure to *read at least 20 minutes* every night!!!

Fall Picture Day has changed! It will now be on Friday, September 12th - Be sure to look your best!

We will be going to the Media Center to check out books every Friday. Please be sure books are returned on time to avoid disappointment!

Thank you to Ms. Phillips for making us apple cake to celebrate Johnny Appleseed- it was a great to end our study on him.

SOCIAL STUDIES AND SCIENCE:

- Folk Heroes
- Weather - identify different types of weather, make weather observations
- Hydrology - The water Cycle
